Donna Young Celebrates 40 Years of Music Ministry

On Sunday, March 27, more than 150 people honored Donna Young for her forty years of service as our Director of Music. Donna was honored at each of the worship services and again at a meal following the Praise Team's '50's '60's concert.

Since the fall of 1970, Donna has directed the Sanctuary Choir. Several years later the church purchased a set of hand bells, and she created the hand bell choirs. Donna currently directs the Sanctuary Choir and the Youth Choir; two handbell groups, the youth Spirit Ringers and the adult Caryl Chimes; and a brass ensemble.

In addition to her work as choirs director, Donna has been church organist since 1989. She has directed Christmas programs, hand bell programs, and other concerts. She encourages church members to share their talents performing music during worship services.

In addition to her work at the church, Donna taught music education at the elementary and secondary levels for eighteen years. She retired from the public schools in 1997 but continues to give piano and voice lessons in her home.

Donna appreciates the strong support of her husband, Ron Young, and her three daughters, Jamie Baker, Julie Ammons and Stephanie Young.
